### If We Had Wings

Laura Copel

How high is the sun?  
How high is the moon?  
If we had wings,  
I'd want to go there with you.

How long would it take  
To go far, far away?  
If we had wings,  
We could fly there today.

Chorus:

Take us away  
Far, far away.  
If we had wings  
We could fly there today.

(Repeat chorus)

Someday we'll return,  
What will we have learned?  
We've been through the flame,  
We can't be the same.

How long will it take?  
How long will it be?  
Before we feel safe,  
Before we feel free?

Chorus (X2)

If we had we wings,  
If we had we wings,  
If we had we wings...

How long will it take?  
How long will it be?  
Before we feel safe,  
Before we feel free?

Chorus (X2)

How high is the sun?  
How high is the moon?  
If we had wings,  
I would fly there with you.
