

## IF WE HAD WINGS

Songs by Laura Copel

### Wonders All Around

Laura Copel (Inspired by Genesis 1)

God made the dark,  
God made the light.  
God made day, and God made night.  
There were wonders all around  
On the first day.

God made the heavens for the clouds.  
God made the oceans down below.  
There was water all around  
On the second day.

Chorus:

I look up, I see the sun.  
I look down, I see the ground.  
I see wonders all around,  
And I wonder where they all  
came from.

God took the Earth out of the seas.  
God made flowers and the trees.  
Grass was growing all around  
On the third day.

God made the sun to rule the day.  
God made the moon to rule the night.  
Stars were shining all around  
On the fourth day.

Chorus

God made the fish, God made the birds.  
God made mice, and God made worms.  
They were swarming all around  
On the fifth day.

God made the lion, God made the lamb.  
God made woman, and God made man.  
And God told them to love the land  
On the sixth day.

On the seventh day God rested.

(God rested)

God looked out on all the world.

(All the world)

On the seventh day God rested

(God rested)

And God knew it was good

(It was good!)

Chorus (last line changed)

I look up, I see the sun.

I look down, I see the ground.

I see wonders all around,

*And I know now where they all came from!*

*And I know now where they all came from!*
